**EXECUTIVE SUMMARY**  
**AUDIT EXAMINATION OF THE**  
**PIKE COUNTY**  
**SHERIFF'S SETTLEMENT – 2008 UNMINED COAL TAXES**

**For The Period**  
**November 8, 2008 Through August 24, 2009**

The Auditor of Public Accounts has completed the audit of the Sheriff's Settlement – 2008 Unmined Coal Taxes for the Pike County Sheriff for the period November 8, 2008 through August 24, 2009. We have issued an unqualified opinion on the financial statement taken as a whole. Based upon the audit work performed, the financial statement is presented fairly in all material respects.

**Financial Condition:**

The Sheriff collected taxes of \$2,497,898 for the districts for 2008 Unmined Coal Taxes, retaining commissions of \$88,158 to operate the Sheriff's office. The Sheriff distributed taxes of \$2,409,774 to the districts for 2008 Unmined Coal Taxes. The Sheriff is due refunds of \$34 from the taxing districts.

**Report Comment:**

2008-01     The Sheriff's Office Lacks Adequate Segregation Of Duties

**Deposits:**

The Sheriff's deposits were insured and collateralized by bank securities.

Honorable Wayne T. Rutherford, Pike County Judge/Executive

Honorable Charles E. Keesee, Pike County Sheriff

Members of the Pike County Fiscal Court

Independent Auditor's Report

We have audited the Pike County Sheriff's Settlement – 2008 Unmined Coal Taxes for the period November 8, 2008 through August 24, 2009. This tax settlement is the responsibility of the Pike County Sheriff. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and the Audit Guide for Sheriff's Tax Settlements issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Sheriff's office prepares the financial statement in accordance with the modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the Pike County Sheriff's unmined coal taxes charged, credited, and paid for the period November 8, 2008 through August 24, 2009, in conformity with the modified cash basis of accounting.

In accordance with Government Auditing Standards, we have also issued our report dated September 21, 2010 on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

To the People of Kentucky

Honorable Steven L. Beshear, Governor

Jonathan Miller, Secretary

Finance and Administration Cabinet

Honorable Wayne T. Rutherford, Pike County Judge/Executive

Honorable Charles E. Keesee, Pike County Sheriff

Members of the Pike County Fiscal Court

Based on the results of our audit, we present the accompanying comment and recommendation, included herein, which discusses the following report comment:

2008-01     The Sheriff's Office Lacks Adequate Segregation Of Duties

Respectfully submitted,

PIKE COUNTY  
NOTES TO FINANCIAL STATEMENT

August 24, 2009

Note 1. Summary of Significant Accounting Policies

A. Fund Accounting

The Sheriff's office tax collection duties are limited to acting as an agent for assessed property owners and taxing districts. A fund is used to account for the collection and distribution of taxes. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

B. Basis of Accounting

The financial statement has been prepared on a modified cash basis of accounting. Basis of accounting refers to when charges, credits, and taxes paid are reported in the settlement statement. It relates to the timing of measurements regardless of the measurement focus.

Charges are sources of revenue which are recognized in the tax period in which they become available and measurable. Credits are reductions of revenue which are recognized when there is proper authorization. Taxes paid are uses of revenue which are recognized when distributions are made to the taxing districts and others.

C. Cash and Investments

At the direction of the fiscal court, KRS 66.480 authorizes the Sheriff's office to invest in the following, including but not limited to, obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4).

Note 2. Deposits

The Pike County Sheriff maintained deposits of public funds with depository institutions insured by the Federal Deposit Insurance Corporation (FDIC) as required by KRS 66.480(1)(d). According to KRS 41.240(4), the depository institution should pledge or provide sufficient collateral which, together with FDIC insurance, equals or exceeds the amount of public funds on deposit at all times. In order to be valid against the FDIC in the event of failure or insolvency of the depository institution, this pledge or provision of collateral should be evidenced by an agreement between the Sheriff and the depository institution, signed by both parties, that is (a) in writing, (b) approved by the board of directors of the depository institution or its loan committee, which approval must be reflected in the minutes of the board or committee, and (c) an official record of the depository institution.

PIKE COUNTY  
NOTES TO FINANCIAL STATEMENT  
August 24, 2009  
(Continued)

Note 2. Deposits (Continued)

Custodial Credit Risk - Deposits

Custodial credit risk is the risk that in the event of a depository institution failure, the Sheriff's deposits may not be returned. The Pike County Sheriff does not have a deposit policy for custodial credit risk but rather follows the requirements of KRS 41.240(4). As of August 24, 2009, all deposits were covered by FDIC insurance or a properly executed collateral security agreement.

Note 3. Tax Collection Period

Unmined Coal taxes are billed to finance governmental services. Liens are effective when the tax bills become delinquent. The collection period for these assessments was November 8, 2008 through August 24, 2009.

Note 4. Interest Income

The Pike County Sheriff earned \$25 as interest income on 2008 unmined coal taxes. The Sheriff distributed the appropriate amount to the school district as required by statute, and the remainder was used to operate the Sheriff's office. .

Note 5. Sheriff's 10% Add-On Fee

The Pike County Sheriff collected \$8,236 of 10% add-on fees allowed by KRS 134.430(3). This amount was used to operate the Sheriff's office.

Note 6. Advertising Costs And Fees

The Pike County Sheriff collected \$2,340 of advertising costs and \$780 of advertising fees by KRS 424.330(1) and KRS 134.440(2). The Sheriff distributed the advertising costs to the county as required by statute, and the advertising fees were used to operate the Sheriff's office.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL  
STATEMENT PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

CRIT LUALLEN  
AUDITOR OF PUBLIC ACCOUNTS

The Honorable Wayne T. Rutherford, Pike County Judge/Executive  
Honorable Charles E. Keesee, Pike County Sheriff  
Members of the Pike County Fiscal Court

Report On Internal Control Over Financial Reporting And On  
Compliance And Other Matters Based On An Audit Of The Financial  
Statement Performed In Accordance With Government Auditing Standards

We have audited the Pike County Sheriff's Settlement - 2008 Taxes for the period November 8, 2008 through August 24, 2009, and have issued our report thereon dated September 21, 2010. The Sheriff prepares his financial statement in accordance with a basis of accounting other than generally accepted accounting principles. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Pike County Sheriff's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Sheriff's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying comment and recommendation, we identified a certain deficiency in internal control over financial reporting that we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying comment and recommendation as item 2008-01 to be a material weakness.

Report On Internal Control Over Financial Reporting And On  
Compliance And Other Matters Based On An Audit Of The Financial  
Statement Performed In Accordance With Government Auditing Standards  
(Continued)

Compliance And Other Matters

As part of obtaining reasonable assurance about whether the Pike County Sheriff's Settlement – 2008 Unmined Coal Taxes for the period November 8, 2008 through August 24, 2009, is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

The Pike County Sheriff's response to the finding identified in our audit is included in the accompanying comment and recommendation. We did not audit the Sheriff's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of management, the Pike County Fiscal Court, others within the entity, and the Department for Local Government and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Crit Luallen", with a long horizontal flourish extending to the right.

COMMENT AND RECOMMENDATION

PIKE COUNTY  
CHARLES E. KEESEE, SHERIFF  
COMMENT AND RECOMMENDATION

For The Period November 8, 2008 Through August 24, 2009

INTERNAL CONTROL - MATERIAL WEAKNESS:

2008-01     The Sheriff's Office Lacks Adequate Segregation Of Duties

The Sheriff's office has a lack of adequate segregation of duties over tax receipts and disbursements. The employee responsible for handling tax receipts also records the receipts in the ledger, prepares the bank deposit, and performs the monthly bank reconciliation. In addition, the employee prepares the disbursement checks and is an authorized signer on checks. By the same employee performing these functions, the risk that errors or fraud may go undetected increases. We recommend that the following compensating controls be implemented to offset this internal control weakness:

- The Sheriff should periodically compare a daily bank deposit to the daily checkout sheet and then compare the daily checkout sheet to the receipts ledger. Any differences should be reconciled. The Sheriff should document this review by initialing and dating the bank deposit, daily checkout sheet, and receipts ledger.
- The Sheriff should periodically perform surprise cash counts and recount cash. The Sheriff should document this by initialing the deposit ticket.
- The Sheriff should periodically compare the bank reconciliation to the balance in the checkbook. Any differences should be reconciled. The Sheriff should document this by initialing the bank reconciliation and the balance in the checkbook.

*Sheriff's Response: Correcting this matter.*
